“ I've spent my whole life right beside you, and following everything you have taught me. I am who I am today because of you, and the time you spent with me! You have & always will be etched into my heart!! You & I carried a bond that could never be broken Grandma! Now, I sit here missing you more than anyone could, and very grief stricken. You failed to teach me how to live without you, and in my eyes you were immortal. I love & miss you so much, and wish more than anything that you was here with me & your family! You will truly never be forgotten, as you had a personality that one couldn't forget. I love you Grandma!!!!!!! XOXOXOXO
