“ Dear David and family, I have just learned of Karen's passing. I have missed her so much over the years and tried to find her to reconnect, especially this past year while we were planning our 40 year class reunion, but I couldn't find her. Unfortunately, it seems that obituaries are not that hard to find. I do not know what happened to Karen, but I know that you will all miss her very much. Please remember that she is always with you and you will see her again. In the meantime, I will keep you all in my prayers as I remember the fun times that Karen and I had as friends in high school. May God bless you all.

“ David, I just wanted you to know that we are all thinking of you and keeping you in our prayers. Don't forget your strong family at Simon Kenton! We carry people through many rough times and we are all here for you if you need anything. I wish I had something funny or witty to say like the messages you used to leave for Tony on his Caring Bridge... your sense of humor is missed when you are not around! Keep your head up and come back soon!
