“*Kate was my neighbor when I was just a child. She and my family remained friends even when we moved out of the neighborhood. She was a beautiful person and treated all the "neighborhood kids" just like her own. My last visit with her was Christmas this past year. She was her beautiful self and we had some fun moments. Heaven received a beautiful person when she passed. I will never forget her or her kindness to my Mother when she was sick. Rest in peace Kate.*”
