“ My condolences to Edee, Kim, Alice, and the other family members with the passing of Kate. She lived a long and principled life. I remember her as a hard worker, dedicated and focused on you guys, her family. I especially remember her and Lyman bidding on me at a FFA fundraiser to be a "slave" as a part of a money-making project for the FFA. I know that my work ethic didn't meet the standard in painting the house roof, but she was always kind and caring towards me. Don Sanders
