“ I join you in your grief. Kathy was one of the best friends I ever had. She is just a loving and awesome person. We had so many things that we were alike in. But when we had differences it made no difference regarding our love for each other. We accepted each other as we were. My life was so much richer because of her. Thank you Jesus for bringing Kathy into my life.

“*I was saddened when I got word that Kathy is gone from us, but I know now that she is certainly singing in heaven's choir. I remember her as a fun lady to be around with a ready laugh for whatever circumstance she found her self in. We will truly miss her.*

“ Tom, Tytus and Tommy, I can't express enough the great deal of sadness I feel for you and your family at this time. Kathy was a great woman and I will always remember the great times we had with her throughout school and scouts. Though Kathy's death is an unfortunate loss, at least we know her pain has ended and she is finally enjoying the peace she deserves. Your family has been through so much over the course of time I've had the pleasure of knowing you, but you always bounce back 10 times stronger. I know this will bring out another example of the bond and strength your family has that we all so admire. I would love to hear from each of you when the time is right and sad that I will miss a chance to reunite with Tommy after so many years. Stay in touch if you can... (419) 773-9397. My condolences in this hour of darkness and uncertainty Matt

“ "Well Done, good and faithful servant...enter in." May God's Spirit wrap his loving arms around each of you during this time. Kathy and I first met when Jeremy was barely walking, We both came to a knowledge of Christ, and she has spent her days here on earth trying to bring glory to His Name. To God be the Glory.
