“ I was lucky enough to work With Kevin at Wintzers and then hospital in Findlay and oh boy did we always have fun and do things we wasn't supposed to be doing. That was best thing about Kevin he was pretty much up to do anything or at least I could talk him into it after a few mins lol. He loved to laugh and have fun and I'm so glad I got to enjoy some of that time with him. I'm so truly sorry to his family and I hope we all can remember all them great times we got to spend with him.
