

Lewis W. "Louie" Erb Jr.

June 18, 1958 - December 5, 2025

Lewis W. "Louie" Erb, Jr., 67, of Wapakoneta, passed away Friday afternoon, December

5, 2025, at his home surrounded by his loving family. He was born June 18, 1958, in

Lima, the son of Lewis W., Sr. and Helen M. (Timmerman) Erb. His parents survive in

Wapakoneta. On April 22, 1978, he married his high school sweetheart, Cindy L. Hengstler, and she survives in Wapakoneta.

Other survivors include,

3 daughters, Desiree L. (Josh) Hole, Dublin, OH,

Erica L. (Doug Burke) Preston, Wapakoneta,

Mindy L. (Jarret) Webb, Wapakoneta;

8 grandchildren, Derek, Makenzi, Reagan Hole,

Paison, Emory, Oakley Preston,

Ayla, Mylan Webb;

5 siblings, Deb (Jim) Kaeck, Pam (Gary) Halfhill,

Mark (Cheryl) Erb, Mary (Jeff) Adkins,

Todd (Carol) Erb, all of Wapakoneta;

3 sisters-in-laws, Cathy (Steve) Oen, Wapakoneta,

Diana (Steve) Penhorwood, Celina,

Vicki (Larry) Winkler, Wapakoneta;

numerous nieces, nephews, great nieces and great nephews. He was preceded in death by an infant granddaughter Kylie Lou Hole, and mother-in-law and father-in-law, Maryellen and Orval "Bud" Hengstler.

Louie died following a brave battle with cancer. Even until his last days, Louie was determined to give cancer the toughest battle ever. This was no surprise to his family and friends because Louie never stopped; he was a fierce competitor and an even harder worker. His work ethic started in his early years working by his father's side. There are stories of "Little Louie", barely old enough to zip his own coat, climbing in the truck with his father, Louie Sr., for a full day's work. From beginning to end, his Dad was his hero.

Louie started his own working career at B&M Packing followed by G.A. Wintzers & Sons before entering full time into the family business. When he fell in love with Cindy, he found someone who worked just as hard as him, and what a pair they made. For years they worked together running Erb Poultry Inc. and Erb BBQ and Catering. Most recently, Louie served as a maintenance supervisor with LFR Properties and a bus driver with Wapakoneta City Schools.

Louie was the proud father of three daughters. There was always a running joke as to which daughter was his favorite, but the truth was that Louie loved them all fiercely. He was the perfect "girl" dad. He was slow to anger, easy to forgive and there was no problem too big for him to fix. Being present was always important to Louie. He rarely missed a game or event for his children and he continued that tradition with his grandchildren. Louie could never say no to his grandchildren and constantly stopped his own projects to tackle one of theirs.

Louie's desire to help was not limited to his grandchildren; Cindy always knew

her projects would be paused if Louie needed to help someone else. When he wasn't fixing something with his dear cousin and friend, "Brother Barry" or spending time with his family, he enjoyed fishing, hunting, camping and snowmobiling. He was a kind friend to so many and will certainly be missed.

Louie's family would like to thank the staff at The James Cancer Center and Mercy Health - St. Rita's Medical Center for the kind and compassionate treatment they provided.

Condolences may be expressed at www.eleyfuneralhomeandcrematory.com. A Celebration of Louie's Life will be at 11:00 a.m., Friday, December 12, 2025, at the Eley

“ I remember snowmobiling at his and Aunt Cindy's house growing up and eating homemade bean soup afterwards in their garage. A favorite memory was when I went to college, he sent me some of that soup which I was extremely grateful for as young, college student! I'll cherish those memories. Keeping my aunt, cousins, grand-cousins, grandparents, and family in my prayers. We is very loved and missed.

“ Growing up we were one big family. The Erbs, Hengstlers, Ballwegs & Zinks. We did everything together, we were always at each other's house we called all the parents mom & dad. We took snowmobile & sledding weekends where we put all of us in two hotel rooms. All the girls would go on shopping trips. We cut enough firewood each year to heat all the homes. We ate Erb's BBQ chicken, Bob's beef stew cooked over the open fire, Mary Anns polish cabbage rolls & Judi's chili after Wapak homecoming FB games. Then Little Louie & Cindy bought a very old house at the top of Wheeler Lane. I remember the night we walked through it with my dad (Bob Zink) and Louie & Cindy were so excited to imagine their first home, the home they would raise three beautiful girls in. I loved working side-by-side with my dad on this project. I fondly remember drawing out the plans for the stairways... which are still standing strong & sturdy. Cindy and I cut roof rafters as the guys hoisted them and nailed them in place. As time passed some went onto work, some went to college, we all had families of our own. But when we saw each other, it was as no time passed we were all still family. Little Louie always called me "Sis" and I always loved that.

“ Wheeler Lane, Wapakoneta, the Erb families and us. A great place to grow up, and to see other families grow up also, such as Louie and Cindy's.

...you know, we all get to be back together again someday.the Good News, death is defeated by resurrection. Hold onto each other, and God's Promises, and He will give you Peace.

Your family was always a blessing to me, and I love you all for it.

“ I ended up working with Louie driving bus the last couple of years. Before that, my two youngest had him for their bus  driver. My daughter, Katy, drove him completely nuts while riding on his bus but her and my son loved him. Oh the stories he would tell about her made me laugh because I knew she drove me crazy at home but I can imagine how he felt. Because he couldn't just get up and walk away, he had to try and hold his composure for the duration of the ride to and from school. 😂 Louie was a great man and his memories with his friends/family/coworkers live on.
