“ Our deepest condolences go out to the family members of Lloyd Hinshaw. He was a good friend as the local barber when he had his barbershop in Cridersville. We got our three boys their first haircuts there. 6/20/19 Joe & Marilyn Garcia, Cridersville, OH

“ Lloyd and I were friends for most of our school years even though he was a year behind me. We stayed in touch after I left town. He was a good man and a great friend. My condolences to all his family. He will be missed.

“ So sorry for Lloyd's family's loss. Lloyd and I were classmates and were in band together through high school. The persistence and courage it took for him to express his love of music was, for me, a genuine source of admiration, since, as a boy, he struggled with severe hearing loss throughout his school years. In later years I would go see him at the barbershop, get a haircut and share memories for a while whenever I was back in Wapak for a visit. I knew him to be a kind, quiet boy and a sensitive and good man. He'll be missed, I'm sure, by those who knew him well.
