“ We will miss seeing Lois as she traveled with you to the radio station and sat quietly while you did your work. She was a lovely lady who had a quiet presence about her, but was easy to talk with and had a gentle smile. You two were inseparable. Prayers for your family.
Sincerely, John & Claudia

“ I have only good memories with grandma Lois. She taught me how to iron. Her and grandpa taught me to fish. There was always a cold Pepsi in the basement refrigerator. She loved all children and cared for people deeply.
