“ Brian, Nettie and family, we send our sympathy and prayers as you draw together with your brothers and Dad to honor and remember your Mom. I can see your resemblance in her picture. It surprised me to hear she was born a Carter since I knew Elmer and Merl in Waynesfield. Jim was in my class at school and Steve a year or two older. I trust she is resting in peace with Jesus in Heaven. Ken Little

“ Mike and I and family are so very sorry to hear of Lucy's passing..She was a wonderful person. We were neighbors on National Rd. Lucy and I had many wonderful adventures during that time and we always ended up laughing no matter what we did. She was a lot of fun. Over the years, we may have lost touch but she was always in my heart. Lucy loved her family so much. She was the most caring and giving person I have ever known. We had many "coffee" chats together and would go shopping at Rinks over in Wapak. We would go out to lunch at the little diner in Cridersville. She is the one who got me to volunteer at Auglaize Acres...I told her that I didn't think I could do that as it would make me feel too bad...She told me to think of the people there and not of myself and that they needed me to help. After that day, I looked at nursing homes very differently and the people in them. I love you Lucy, you were a great friend. I know that you are a beautiful angel now in Heaven with our Father. I am sure you will be looking down from heaven watching over your family just as you watched over them here on earth. Sending a big hug up to heaven to you. We love you.
