“ Peg came into my life on two separate occasions. First, as a youngster when my parents and Clete & Peg would socialize as they did in the 40's & 50's. They would play cards while the kids (us) would play. My second encounter with Peg was as a client in our CPA firm. Here, I was older and able to meet her and discuss with her on an adult level. She was kind, understanding and principled. I enjoyed her. My condolences go out to the family. You should be proud of her.

Mark and Diane, I'm so sorry to hear about Peg. As I am still traveling, I have been praying for her as she asked. I believe she is safe with God and her past loved ones and now is at Peace. Peg was a good friend of my mother (Dorothy Pfenning) and also one of mine. For the past 5 years since my mother's death, my sister, Marsha, and I visited Peg and took her for rides and lunches out. She was so much fun with her mischievous character! I felt like I've known her forever as she told many stories of her life, travels, family and loves of her life. I know her Faith was strong and she loved her family. I will miss her so much!
