“ *My condolences to the family, especially to you, Linda. Mrs. Keiber, June, was one of the loveliest people I have known. She had a wonderful sense of humor and she was very, very thoughtful. The Keibers were close friends of my parents, as part of a larger group of friends, who celebrated many occasions together, especially summer holidays and Super Bowls. As 'my generation' got older, we had as much fun with our parents' friends as we did with our own friends. She touched many lives and I know she will be missed.*

So sorry for your loss. I saw her several times at the Gardens when I visited my mom. She remained beautiful unto the end. I pray you feel the comfort and peace of our Lord.

“ *I was an aid at the Wapak Gardens I got June ready every morning and every morning I'd wake her up by singing her “Hey Jude” but would replace Jude with June and as she would wake up she would start singing with me and when we were done she would say “and we will always make it better” she was such a sweet amazing person and will be greatly missed*
