“ Marie was a true friend who never met a stranger then befriended them, too. When I would meet her somewhere she would always comment about my mother and how wonderful she was. She stayed with my brother in Colorado Springs and always asked about him when I would see her. She is surely with God and at peace. Her legacy is the unique family and friends left here behind, but we shall also see her again when we are calledc home.

“ I have known Marie since I was in high school, and like many others, had the pleasure of working with her at Marsh's. When I got married, she was there and some years later was the first to guess I was pregnant. What a remarkable lady she was. I remember many weekends with her and Fritz playing cards, going to dances and even some surprise parties. They just fit in and I enjoyed their company very much. She was an angel, loved by many and will be missed by everyone who had the opportunity to share in her life. Rest in peace, Marie.

They are missed .. we will miss you Marie. I will miss all the short conversations over the phone that we've had over the past years. You're now in a better place embracing the ones that went before you. We love you and miss you. Dale

“ I knew Marie from St. Joe when I worked there. She was always so kind and sweet whenever I saw her. On numerous occasions she made cookies for the youth group. She was certainly a very special lady, who loved and lived her faith! I am sure she is in Heaven, praying for all of us. My thoughts and prayers are with you as you grieve the loss of such a wonderful person.

“ When my mother and father both passed away Marie took us in as "the adopted kids. My children loved her like a grandmother and she was always the one I ran to talk things over.

She was the matriarch of our extended family and loved nothing better than when we all got together. She has been a model for us in our faith and in what is important in life. She did not have an easy life but her humor and love shone through even in tough times. She is not just my beloved aunt but someone who stepped in and was a mother to me. We were all better for being in her presence! She will be missed.

“ When it is said that Marie loved everyone, I can say that as a young, high school student working my first job at Marsh's I loved Marie and felt love in her presence. And did we have fun. She was a wonderful mentor and role model. Her patience was beyond measure as well as her understanding of young kids. She always asked us, after a weekend of football games, whether any of us knew anything about the toilet papering that had occurred. Such a wonderful, fun woman and friend. My condolences to the family. My life was made richer by knowing Marie, and for that I am grateful.
