“ I remember Marilyn telling me about the time she tried to get me to drink orange juice when I was about 4 years old. She told me to drink it by the time she ran around the house.. I of course poured it down the drain

I always admired the love and devotion Marilyn and Ernie had for each other and that they were able to spend time traveling and enjoying life together. Your mother was truly one of a kind. Let the memories of your mom provide you with comfort and serve as guidance. Our sincere sympathy to you and your family.
