“ Bobby, Kathy and family...where to start...the bond began with our dads, I guess down in Brownsville, Texas and continued throughout Europe during WWII. Luckily for all of us, that bond only continued to grow over the years - from 749th reunions, trips between Canton and Botkins, and later, the wild motorhome trip West! Us Bodo's loved your parents like family and memories made with all of you are a part of the fabric of each of our lives. Mom, Butch, Tom, and I, along with our families, send our deepest sympathy and love. "Aunt Mary" will always hold a special place in our hearts, as will all things Boyer and Botkins! Much love, Melissa and family

“ *What great memories I have of living across the road from Mary, Jim, Kathy and Bobby out on Lock Two Rd. One day Kathy and I were playing in their garage and proceeded to make a total mess of ourselves with paint and whatever else we could find. Who knows what conction we were trying to make. We were enough of a mess that Mary put us both in the tub and made us scrub head to toe! And what a great smile she always had. Always so happy to see us when we came to visit!*
