“ Chris, Pat, Becky, Cindy, and Dave, Jack and I can't be there today but we wanted you to know how sorry we are to hear of your mom's passing. I know from mom how hard it is to watch someone you love go through the suffering of cancer and now she is at peace. I have many fond memories of time spent at your house and your mom was always gracious and kind (although I know she had an ornery streak from the stories mom would tell about their younger days). We hope all the wonderful memories you have of your mom will give you reason to smile in the coming days. Jack and Deb
