“ We had so many good times with Mary Ann, starting with early childhood trips back and forth from Wapak/Lakewood, Ohio. Mary Ann was like a second mom to us and I always loved calling her Mah. One of my best memories is when Mary Ann joined my parents and their friends to attend the Prairie Fire Festival and Symphony in the Flint Hills with us. So many laughs and good times! Mary Ann brought strength and fortitude to all she was and I will keep her in my heart forever. She was the first to talk with me during my mom's illness and she always, always showed up for my family and me. We will miss you dearly Mary Ann and we send tons of love and healing to the Ballweg/Horman family. Love, Gwen and Brian Obermeyer

“ I met Mary Ann at Buckeye Girls State in 1960. We became friends and stayed in touch for a few years. She was a wonderful girl, cheerful, kind, a joy to be around. This obituary tells me she remained the same her whole life. I'm glad she was in my life, even for a short time. Please accept my sympathy at her passing, but I know you have wonderful memories. “ Dear Tub and Family,
I don't have the words to express my grief and sorrow of Mary Ann's sudden passing.
She lived an incredible life touching the hearts of countless.
She was the most beautiful high school prom date and young guy could ever dream of.
Your friendships have endured for over seventy years and will continue forever.
May God be with you in this moment and always.
Know that Mary Ann will rest in the glory of Heaven for eternity.
With love always.

“ Dear Tub and family.
The St. Joe class of 1961 will never be the same now that we have lost our fearless leader and four year class president. She was the glue holding the lunch bunch together. Mary Ann almost made it to her birthday but now there will be a heavenly celebration. What a record to join a wonderful group of faith-filled believers who have been members of the same church family for 80+ years! God will surely reward that dedication. May you all take comfort in the support of all your extended family, friends and all the Wapak people who knew and loved her. Tom and I join them all in storming the heavens with our prayers for her and all of you.
