Chris served as president of the Soroptimist Club and the Wapakoneta Chamber of Commerce. She also served on the Wapakoneta City Tree Commission, and was secretary of the Wapakoneta Fire Dept. Chris, along with her husband, Steve, spent several years traveling the waterways and highways of the United States, first living on their boat and then traveling via motorhome. The last few years, she enjoyed being a snowbird. However, what especially brought her joy was the time spent with family and friends.

“ I just seen the news of Chris's passing and I'm so deeply saddened. I am the distant cousin from Bucyrus, meeting Chris through Ancestry. Even though we never got to meet in person, I feel like I knew her through our e-mail conservations. My heart goes out too everyone in her family and keeping all of you in my prayers. “ My deepest condolences to you, Steve, along with your Family, on the passing of Chris! For many years, when we spent the first week of November in Myrtle Beach for my brother's golf tournament, I am sure you never missed a day of talking to your wife on the phone several times during the day! I know this because we made the long drive to South Carolina together and we shared a condo for the week many times. I don't think you ever missed a time when you called her Hon (Honey) or said goodbye to her without including the word "Love"! If there was ever a couple who packed as much into Retirement as you and Chris did, I wouldn't know who even came close! 73 is too young to leave this earth, but whenever you decide to join her, I am sure your adventures will continue!

Peace to You, my Friend

“ Condolences and prayers for entire family and friends. I Have great memories of Chris and the entire Haehn family growing up on Auglaize Street. So glad we were able to reconnect with Chris and Steve at Lake Cumberland for the last several years. Loved her tater salad and grape pies and the many stories of their travels. She will be sorely missed.
