“ *Your entire family is in our thoughts and prayers. We enjoyed our visits with Uncle Bud and Aunt Mary. When I think of times in their home, I remember smiles, laughter, and fun. That only comes from a deep source of love; the love they got from God and shared with everyone. God bless you as you continue to share that love.*

“ *To Mary And Bud's Family: I was blessed to be a part of this family in the past and can understand the pain that they are going thru with the passing of now Mary. My condolences to the whole family in this time of mourning. However they are together once again for eternal life and will never be seperated, as it should be. Mary is not gone, she is just seperated from the family temporarily. Look into your hearts and you will still find her, she will always be with you, because of her you are here. Family and faith will help you endure this sorrowful time. My thoughts and prayers will be with all of you.*
