“ Hi Gary and Linda. Through researching on Ancestry.com genealogy I just read that Matt passed away in April. I was so sorry to read this. I know you both must be heartbroken. I have fond memories of Matt at family gatherings. Matt was certainly a nice looking man. Please know that I am keeping you and your family in my prayers. Both of my parents (Herb and Dorothy) have passed away, dad in 2014 and mom in 2016. I and my family are doing well. Respectively, Mike and Karen (Krogh) Schaffer.

“ Had many great times with Matt running the neighborhood of Cole and Stinebaugh Drive in grade-school and watching Matt burn up a couple of his cars in high-school. Somehow got ourselves in trouble on numerous occasions with our "powerful" little bb rifles. All Matt's ideas of course! I have only talked and seen Matt a few times since graduating. Doesn't mean it is not painful and sad to hear of him passing too early in life. Matt always had the same excitement and enthusiasm as I remember in school. My prayers and thoughts go out to Matt's family during this tough loss.

“ Matt was one of the most charming people I have ever met. He easily made friends no matter where he went. He had an infectious laugh and smile! He loved to whistle when he was happy which always brought a smile to my face. He was incredibly generous and had a loving heart. He was strong in his faith so I know he was welcomed into heaven with open arms. I have some fabulous memories that I will always treasure. He will never be forgotten and will always be loved.

“ Matthew had a sweet spirit and a big smile! He had a hug ready for all around him. He was the apple of his grandmother's eye. Now they are together, once again! Love, Aunt Co

“ To the goofiest, silliest man out there. You're stronger than the struggles you've had. Bobbie and I will spend the rest of our lives honoring the dedication and perseverance you had. You were so excited to meet your grandson due in September. I can't wait til I can get one of those bear hugs one day again.

Love you, always and forever,
Mac
