“ Chris, Steve and family,
Our thoughts and prayers are with you at this difficult time. I can remember some good times when we were little and your mom and dad always smiling ! They were both such wonderful people. Time goes by so very fast. Thinking of them right now makes me smile !
May their memories bring you the same.

“ Chris, Steve & family, I was so sorry to learn of your dad's passing. Please accept my heartfelt condolences. Not long ago while driving, I passed a sign for some destination telling me it was "just miles ahead". It reminded me of our two families trip to Gatlinburg and our long trek to English Mountain ... "just miles ahead". Lots of good memories of our families on Stinebaugh Drive.
