“ Mitch was a good friend of mine at Miami University freshman year and my roommate sophomore year. We met in overflow housing at Miami in 1977. We were both cross country runners in high school (he was better than I) and we both liked rock ‘n roll. Im still running (but much slower lol!). I credit him with keeping me in that mode for the past 45 years! I’m so sorry to hear of his passing. He was such a big part of my growth through those years! Thank you Mitch!
