“ Our deepest condolences to the Hoel family. I'm glad I had a chance to reconnect with Mike through KJ a couple years ago even if it was just a brief conversation. RIP Mike

“ Uncle Mike, I remember a time when I had a stiff neck and you thought I was faking it so you flicked ice water at my face and wow did that hurt! I could not be mad though. You had the best sense of humor. You always made me laugh.
I am so glad I got to see you at the last reunion. I will miss you.
I love you Uncle Mike. RIP

“ *Uncle Mike, hard to believe you left us so soon. I do vaguely remember your wedding and I was so proud to be the flower girl and I still to this day have the dress! Gonna miss you a lot! ❤️*

“ *I remember the time Michael made our grandma mad and he took off running from her thinking she wouldn't be able to catch him. Our grandma was a big woman but as he ran, he turned to see where she was and my grandma was right behind him. She caught him...to his surprise 😂. I love you little brother, I will miss you 😞*

Rabbit, for the last 8 years we became really close. I enjoyed taking you on road trips with me and just shooting the breeze. Going to different restaurants especially Edinburgh Indiana for there giant tenderloins and you said geesh how big are your omelets. LOL. You were really fun to hang around with eventhough you embarrassed the crap out of me sometimes, but it was all in fun. Thanks for the memories Rabbit. I miss the heck out of you. Rest in peace my brother. Love you 🐰

Paw paw, you were a man of many things. To be here in this spot, it doesn't seem real. Your energy was so high, that it is just impossible to believe that you aren't here with us any more. I know you are still. I will fill in the shoes that you've left behind. Thank you for being such a loving, and considerate person to me and to my family. I wish we would have had more time together, but that is a life lesson I will use to better myself, and spend more time with the ones I love. Although we didn't get to spend as much time together, we still had a very strong bond. Every day, every holiday to pass, you will be there, guiding me through life with the most wisdom and not just wisdom but love. You've taught me just how important that is. And for that I thank you. I can see the world in such a beautiful way now. I love you paw paw. Forever and always. Now to join all of the ones you've reminisced seeing over the years. Enjoy yourself paw paw. And be good ❤️ 🏆
