business, selling new cars and then going on to manage the Service Department.

Mike was an avid fisherman from a very young age, sharing that passion and skill with his son and nephew. He especially loved all of his dogs throughout the years. He enjoyed NASCAR, kickboxing, MMA as well as being a huge fan of OU Sooner football. Boomer Sooner! One of Mike's most endearing traits was his ability to capture your attention with his storytelling. It was always the "big one" that got away!

“ To the family of Mike,
I would like to extend my condolences on the passing of Mike. My name is Rick Lewis and in my years in the oilfield supply business I had the privilege of crossing paths with Mike numerous times. In 1979-1980 Mike came by Republic Supply with his grandpa Spike, 1981-2011 he called on us at Green Country Supply and from 2012 till he moved away he would see us at Cates Supply. I enjoyed the time that I attended one of the "Oilfield Trash Fishing Tournaments. Mike really enjoyed putting on those tournaments. Seems like Mike always managed to get by to most of our dinners. These dinners were for our customers, and vendors who would support these events. We always had a good time picking on other vendors. Best part, some of the vendors would pick at Mike and he could give it right back to them. I remember Mike working for Spicer & Sandburg, Barton Wellhead and Skinner Bros. and I'm sure some others that I have forgotten about. The main thing is, no matter where Mike was we were definitely going to buy product from him. Mike was no doubt one of the top salesman that we enjoyed "every" time he would call on us. I know that myself and others in the 60+ year old group will miss him a lot!
My thoughts and prayers are with you all!
Sincerely
Rick Lewis
