“ Oh my terribleness. To this family I am shocked. I am an old friend whom had lost contact with him since he was at Indian Lake. He was great man, so good hearted. Sensible spirit of kindness and a smile. You knew what he said wasn't fake. In that picture and in his eyes you see Mike. He was a truthful man. God be with him, be with you. Make sure your path make it to the Heavenly Gate to see him. I spent sometime with him and talked openly about my Godly beliefs and he was completely open. He came and helped me once without reward.All I can say is I wish I could have been around one more time. Jerry Wills
