“ I'm sorry to hear of Mike's passing. I worked with Mike at PSC, and he was always helpful when I was trying to find materials for job. We had many discussions about gardening, and getting rid of skunk and coons that were raiding our gardens. He will be missed, by friends and family.

“ Judy, Darrin & Darla,
I am so sorry to read of Mike's passing. He's just way too young! I have such good memories of all of you on Pt Haven, but I won't be able to get to either the visitation or the funeral, even though it's so close to where I grew up. Just know that you're all in my heart & prayers. Maybe Chuck & Mike are already swapping memories in heaven!!! Sending hugs & love to all. 💕💕💕💕💕💕💕💕

“ Uncle Mike was the uncle that every young boy needs. I will always remember him turning his lights on and off on his vette so that I could see the lights flip up and he driving around talking to me on his CB radio while I had the walkie talkie sitting at the picnic table. Rides on his motorcycle were always something that I told my friends about. You are missed and loved.

“ Dear Judy, Darla, & Darin,
We are so very sad to hear that Mike passed away last Friday. I know Mike was a very hard worker and he always tried to do his job in a correct and fair manner. Mike was always considerate of others. Mike was a great husband, father, grandfather, brother, and friend to all of us who knew him! Mike had a wonderful sense of humor and we always had a lot of fun when we were around him. I also know that Mike had a strong relationship with God and God's son, Jesus, and that he always tried to live his life with both of Them in his heart and soul!

“ I love this Man as if he was my own father. I have so many memories it's hard to think of just one. I remember going out to Uncle Fritz's collecting all the blackberries we could carry, and then Judy would make the Best Damn pie ever.. Such a good man, dedicated husband and proud father! Love you Mike
