“ Weedy, My friend, you will be missed my friend,this is all so true. I think back to all the good times we had together and all the fun we had. I remember all the hell we put up with at the Pak and how we said we would never be there very long.But the one thing that sticks in my mind is the way you would always say....."one more and then we got to get the hell out of here " Rest in peace my friend.....I hear the bell for last call.....this ones on me.....

“ Weedy, It was tough to hear that you have departed without us. I remember a time when we all waited for each other because we were heading to a party. We'll I am sure that you are somewhere better off and knowing you, you are doing just that Partying! To Mike's Family; Ed, Peg, Mark, Dan, and others, remember we should celebrate the life of the ones we Love. I hope that God provides you comfort should you have sorrow, but also joy in the fact that you, we all had the chance to know and Love Mike as we did. God Bless. v/r Bobby Behm
