“ *Hello Gwynne—I was out of town over the weekend and was so saddened when I arrived home this evening and had several messages telling me of Bernice’s passing. I enjoyed her so much and loved the time I spent with her. You certainly have my sympathy in your loss. I would love to be there to spend some time with you personally but I unfortunately have other commitments I can’t change. You are always welcome at my house (1181Edgewater) if you ever get this way. Take care.*

“ *So sorry for your loss. Your Mother was such a lovely lady, and I always enjoyed seeing her at Francine's Beauty Shop. I sure wish that I'd known that she was from Dayton. I also worked for McCall Corp. (in the subscription Dept.) We would have had a lot to talk about. I only found out you were from Dayton when I saw that you'd gone to N.H.S. a few years ago.*

“ *Most recent memory of Bernice was just a month ago, at her great granddaughters birthday celebration, Bernice loved her sweets. I think she ate 6 cupcakes. Each time we gave her a hard time she continued to confirm it was her 1st cupcake, and thanks to Tom and Gwyenn for always including her in family events as to we have so many fond memories, she is with Hugh now but will missed by all of us.*
