“ *Have not seen Nancy in years but would periodically touch base on her birthday while she worked at the Way International. Was unable to reach her there several years ago. Just doing a search for her today, I learned she had passed away earlier this year.*

Nancy was a precious friend, dear to both my wife, Nanette and me.

I am very grateful for the relationship that was forged many years ago as she oversaw work I did at the Way International my interim year in the Way Corps and that continued years beyond that.

“ Nancy was truly a faithful follower of the Lord Jesus Christ. She was genuinely interested in people, and as a result of her love for others, she had a special way of inviting them into her heart and life. I remember from my early days in the ministry, each time I visited The Way International Headquarters, she would always seek me out to see how I was doing. She would also inquire about what I was learning, and would listen with rapt attention. She had a way of making you feel very special and very loved. She was a master at being organized, and freely shared with all who had a desire to learn. Nancy's fruitful life added so much to our lives. We will see her at the gathering together, the return of Christ. What a day of rejoicing that will be!

“ *Our dear sister in Christ, a faithful minister, an excellent teacher of God's Word, English and organization. Nancy was beautiful. My friend, she will be missed. I enjoyed working with her in Word Processing. We'd enjoy eating breakfast at Bob Evans when we come to Ohio for a visit. Thankfully, we have a Hope. One day, we will be gathered together forevermore.*

May her family and friends be comforted by God's Word.

We remember the historical bus tours she narrated to van Wert and the bike tours along the canals. I used to get a hand made card for my birthday. A wealth of the Word and the ministry. Bruce was one of her favorites. Love and prayers till the trumpet sounds....

“ Nancy was responsible in part for my first hearing of God's rightly divided Word. She had been sent to New York by Dr. Wierwille to help in opening that area for the ministry. She witnessed to my sister and then they witnessed to me. That was in 1971. She has been my faithful friend since that time. She loved blueberry pie and also ice cream without a cone. She loved the exactness of records, from God's Word and from life. My wife and I enjoyed her dad and mom and we enjoyed fellowshiping with her. She was the best! We are thankful for the Hope of Christ's return and for the Word that has revealed to us the greatness of that Hope. Doug & Iris Saulsgiver

“ Nancy was a dear friend of ours for over 45 years. We worked and worshiped together and enjoyed spending time together. What a brilliant woman. We shall miss her exacting and thorough work ethic, her confidence and trust in her God, and her willingness to help in any situation. We know that the Bible assures us that we will be gathered together one day with the saints and ever be with the Lord. We look forward to being reunited with Nancy at that time. “ The family of James Coons (Jimmie, Robbie, Mary, and Jim) sends condolences to the Hearne family. Nancy was our classmate and working partner. She was our housemate during the 1980's, and saw Jimmie and Robbie born. Nancy was faithful, and always did what she was asked to do. We will miss her. God bless you.
