“ Nick, It's still hard to believe that you are gone, even though its been two and a half years. I can still see your big smile as you picked out your pumpkins at Halloween, ate you "special " ice cream cone and told your you mom "hey Mom there is my friend" when you saw me at the family reunion." You are fovever in my heart and therefore still here, Until we meet again, I love you, Aunt Jane

“ Nick was a great friend to me, he was encouraging and very uplifting. He was always ready with a smile and he shall be forever in my heart as a great guy. We all know this didn't have to happen but we just need to keep praying. Nick is the man that encouraged me to audition for American Idol, which I am going to do next year. I will always miss Nick, but he has taught many people a great lesson that we should never forget. Nick, we all loved you and we all miss you. Goodbye, buddy.
