“ I was probably less than 10 year old when my Dad took me with him to the Auglaize County Angus Association meetings, who had sales each year in that arena on the Auglaize County fairgrounds. I remember those meetings were in the Courthouse, and Norbert facilitated, so Norb was probably the first Extension Agent I knew. Then of course he was County Extension Chair when I first became County Chair in Shelby County. (It seems like it was later than 1980 when he retired, but I guess I forget a lot.) All those Ag. Agents in the old Wapakoneta Extension Area were great.
