“ Dear John and family, You have my deepest sympathy. One moment I will treasure forever is your dad was watching the 4-H pony/horse 4-H show one year. A man that new your Dad came up to him and was talking. Suddenly he said they goes a Dunlap in the show ring no one else has a chance. The judges automatically give them first place. (You know from experience that is not true) Anyway, your Dad told him that if his children worked thir ponies ande horses like we did, they would be considered. The work their animals all of the time and there has not been one time that I went over there that those kids were not working their animals. He told my Dad this story and Dad told the rest of us. Working out in the hot sun with the animals didn't seem so bad when I remembered what your Dad said. Someone special actually noticed. I am forever grateful. Paula Dunlap McComas
