“ I am so sorry to see that Pam has passed. I had the wonderful opportunity of meeting her when she was working in St. Marys. She was very kind and helpful. Anytime I saw her after that, she would reach out to me and treated me like I was an old friend. Her daughters were the light of her life. My heartfelt condolences are with all of you during this very sad time.

My heart goes out to Pam's family. I knew her through her sister, Cyndi. Love and prayers. Rest in peace in heaven, Pam.

“ *Pammy and I went to school together and we had some great times...I can't remember a time when we weren't laughing. We lost touch after high school but reconnected on Facebook and reunited with each other. She was always wanting me to come to Ohio and buy a house to rehab and flip with her. I will miss talking and seeing her even if it was on facebook. We did get to spend time together at our last class reunion. What fun that was...up until 4am...and then back up at 9am for breakfast at Waffle House. See you later my friend. Heaven has the pleasure of your dazzling smile and personality. Love Tabitha (nickname in school Bitha)*
