“ *She believed in angels.  
She loved to sing and dance.  
She loved ice cream and chocolates.  
She stored her coupons in her unused dishwasher.  
She would order catfish while living on the Florida gulf coast.  
She adored her large family of brothers and sister, their families and children and grandchildren.  
She loved her sons.  
And she will be missed.*

*Dear Gay, Pat's sons and our many cousins in the Neary family in Ohio.*

*I am sending you loving thoughts and prayers as you grieve Pat's passing. May you be comforted by her loving presence always with you.*

*My mother, Bridie Neary Beale, Coolkerry, Ireland was a Neary and a first cousin of Charlie, Pat's Dad.*

*Dad and I were so grateful to Pat for inviting us to come to Sarasota for a vacation with her in 2004. We had a fabulous time. Pat took my Dad, Jack Meehan, to the American Legion and they invited him to play with the band. He was a professional dance band leader and everyone loved his lively music. We fell in love with Oakwood Manor where Pat lived and bought a house at 3221 Pink Oak Terrace, Sarasota, Florida 34237 where I live today. Dad passed away in 2012. Pat helped furnish our new home at the time and drove us all over town, helped us get a car and did everything possible to help us feel at home at Oakwood Manor.*

*Our family also loved Charlie and Margaret Neary, Pat's parents. When we first came over from Ireland in 1956, we visited them in the Beach Resort where they worked in Maryland. Charlie came to our home and stayed with us for several months when my parents were putting on an addition to our home at 3301, Arlington Virginia. I remember he loved pickles and was so much fun to be with it. Pat took after him.*

*I am so grateful to Pat for her many kindnesses to Dad and me.*

*May she rest in peace and dance with the angels!*
