“ *My aunt Patty was of the sweetest and most fun of people to be around.i can still hear her voice laughing.at a family reunion I always knew she would be there and waiting to come give me a hug.she had the greatest heart warming smile on planet earth.if you was with Patty you were always with good company and having a laugh. I can honestly say I've never had a bad time or disagreement with my aunt Patty! She will be greatly missed!*
