“ I met Paula while working at Wal-Mart. She always made time to help me out while I was trying to learn the ropes in the pharmacy and I really appreciated her for that. She was always ready for a good laugh which I loved and we would set her up so that she would get caught in a good prank and she did the same like when she secretly posted a birthday wish on a sign and placed it in my front yard but the age was higher than I really was. She was a very caring person and loved her family and friends so much. I do not think Paula knew a stranger, she had a very outgoing personality. I will miss Paula (Polly Pocket) very much. My prayers go out to her family and friends.

“ I met Paula when I worked at Wal Mart pharmacy with her. Paula had a heart of gold. She loved her son with all her heart as well as the rest of her family. She took care of everyone and every thing that came across her path to include cats and opossums! I loved her and I know she is with The Lord feeling no pain and having no worries in heaven. My sympathy to her whole family.

“ I am really at a loss for words and that doesn't happen too often. Paula was an awesome friend through high school and beyond. A hard worker and super mother. I have such pleasant memories of hanging out with her, Renee, and Pat especially when going roller skating at the Dixie. I will keep you all in my prayers and know that when Jesus comes in the clouds of glory we will be with her once again. Will deeply miss her...she was too young, but she definitely left her mark on this world and has touched many people.

“ *To the family of Paula, please know that my thoughts and prayers are with you all now in this great loss. Paula and I worked together at Big Bear when I lived in Wapakoneta, and she was such a peach and a pleasure at Walmart pharmacy too. This just breaks my heart. God bless you all*
