“ *Some angels fly close to the ground...Priscilla was the most precious of them. Priscilla's life radiated light, love, and generosity, full of joy. She touched the lives of all whose path she crossed and is missed so deeply. Coming into the Simons' family over 20 years ago was a blessing, in no small part due to Priscilla's love. May her memory live on in all of our hearts and memories. Much love, peace, and prayer to all, - Sam*

“ *I used to spend a lot of time with Andy when we were younger and every time I saw Priscilla, she was always so kind to me. (And it's not always easy being kind to teenagers) She was one of those rare people that just had a warm heart and she brought joy to everyone around her. I'm praying for peace and comfort during this very sad time.*
