“ My favorite memory of Ralph was when he MC'd our homecoming basketball game at St. Joe. Our beloved Knights were undefeated and we were playing another undefeated team. The team and their fans were more than a little nasty and were yelling things at Ralph (and us fans) and he met every comment they handed out with grace & humor. At the end of his speech, he looked right at them and said, “And may the best team win!” And we did!!!! Even our principal was laughing. 😊
