“ Deb and family,
We can honestly say that we have only fond memories of the times spent with Randy during our years in Wapak. Of course, a lot of that time was centered around sports of one type or another. We also spent time with y'all during school activities, fishing or camping at Presar's pond, and many other times that gave us the opportunity to become friends with a really great fellow. Hard work and an "all in" attitude set him apart from others. The times leading up to those Memorial Day fundraisers for the Buckland Baseball program proved that more than a lot of other events. He was all about those young people and their opportunity to be a part of that program. He was always there when needed because that was just his nature. We bet he did enjoy watching his grandchildren playing sports, and we hope they received some of that positive coaching ability he probably provided. We want you to be assured that the entirety of the McAlpin family has all of you in our thoughts and prayers during these difficult days.

“ There are so many memories of Randy and the Presars and Harshbargers at the family farm. Tater pulling us all on sleds on the tractor, climbing in the hay now and swinging on the ropes, and all the fun swimming and camping at the pond and singing around the campfire. We had so many wonderful times together and Randy was there for all of them. Growing up we didn't see each other as often but we would often see Randy cooking chicken or visiting with friends at the VFW. He will always be remembered with love. Our hearts go out to Deb and the family as well as Linda, Joe,, and Pam. 🙏🙏🙏
