“ sorry to hear of your loss. I hadn't had much contact with Dick since highschool. I recall the time in highschool he asked me to help him spray paint his old Ford coupe. he painted the Ford with a "hand pump" insect sprayer and did a pretty good job. He was a great guy.

“ I will miss your daddy & grandpa at McDonalds. When I was little, like 3-4, I used to call McDonalds "McDickies". Dick would always want to see my Happy Meals toys. Sometimes he would play with them & made sure they would work for me. I always looked for him when I would go there with my mommy, grandpa & grandma. It always made me happy when I saw him there. I am really sad for you, Love, Becca
