“ *One of my favorite memories of my grandpa in-law was his love for our daughters (his great grandchildren). Every time we saw him, his face lit up. He would get so tickled when the girls would let him hold them. What a great guy! I'm so thankful to have known him and to be apart of his family! We will miss him!* ”

“ *I'll always remember grandpa helping me finish my basement. He was in 80s and never complained and always tried to keep my dad and I focused. A wonderful grandpa and great grandpa to my daughters. I'll miss him very much.* ”

“ *He was a great man and a fantastic grandfather! There are so many wonderful memories I have of him but my favorites are his great belly laugh, his smile and how he would always light up every time he saw his grandkids. I can still hear him laughing sitting beside me on roller coasters when I was a kid. We went on back to school trips every year with him and my grandmother and they were a blast. He would never hesitate to go on the biggest tallest fastest rides with us. This is just a glimmer into the amazing grandpa he was. He was loved and staple in our family and will truly be missed!* ”

“ About 8 years ago, Dick helped me build a porch. He kept wanting to climb the ladder. It was hot and we would try to convince him to take it easy and rest, but every time we turned around he was back up that ladder. He was a strong and kind man and I miss him.

“ I am so sorry for your loss. Dick was my first cousin . I am Ethel Meyer Walker, daughter of Harry and Deal Meyer. I am fighting ovarian cancer, and going thru chemotherapy, so I will not be able to attend viewing or burial. I so remember visiting with all of you at Aunt Luella's funeral and every year enjoy the flowers you gave me a start of that day. My sincere sympathy and you will all be in my thoughts and prayers.

Sincerely, Ethel

“ My sympathy to Judy and family: Also to John, Dan & Juanita families. I considered Dick a good friend throughout my life in Wapak, growing up in the same neighborhood and living as backyard neighbors in Kah Addition. He was a true gentlemen to all who knew him. He and his dad put in curbing at my dad's house on Court Street. I dearly loved his 1956 Pontiac Star Chief also. If I recall it was red and white in color. May his many memories sustain all of you during this difficult time. Jim Harrison, Batavia, Ohio
