“ Dear Linda and family So sorry to read of Dick's death. Unfortunately we go through life and remember those that made our memories, but often forget to look them up to see where they are and how they are doing. South High School was a long time ago, but memories of Dick are warm and of a much simpler time. We ran around together for awhile in high school and he was partly responsible for Tommy Snurr, Gary Engle and I joining the service. His Mother and Dad didn't want to sign for him, so he stayed home and got married. Roller skating, cruising and dancing at the lake area all fond memories. I am ashamed I was unaware he lived so close, as I lost touch with him as I didn't get back to this area until '66. I am sure you can take comfort in his many friends as I am sure he was as fun to be around as he was back then. You were at South for a short time and I didn't know you that well, but I am sure also you have wonderful memories of those "good old days"..
