“ I am so sorry for you loss. I met Rick when he was a DJ at Slinger's. He talked me into going to SRO with him where he became my boss and later to Cobblestones. I always will and always had fond memories of those years. He always had the best sense of humor and I always appreciated that. We instant messaged each other alot over the last year and just spoke of having lunch last month. Also his love of animals always touched me and I'm exactly the same. Love you Rick, may you rest in peace and I will never forget you! ?
