Rich has been my friend through thick and thin for over 50 years. We grew from boys to young men to adulthood. We did things together some were mistakes and some were life long lessons and the rest were lots of fun memories I will cherish forever. I will remember my friend Rich with love and smiles, to remember the good times and never forget our friendship and the days of our friendship that no one can replace or take away. It is nice to know I have such a good friend and good man watching over me. Thanks for the good times Rich fly high my friend . Love Pat
