“ *Bob was a man with many stories and a warm heart! I was blessed to become acquainted with him and his family during his hospitalizations and surgeries. I enjoyed meeting his daughters and I send my condolences to each of you...your father was a special man. I saw him about a week before his passing. He was smiling and quite chatty. Keeping all in prayers! Deb, RN*

“ *Dear Nikki,
Wishing there was something we could say or do to make things easier for you right now, but hope it will help a little to know how much we care and that our thoughts are we you.*

With Sympathy
