“ It was with great sadness, that I had heard of the passing of Mr. Lemaster. I had the opportunity to know him, several years ago. I once got the chance to set up at a flea market with him (and his family), near Cincinnati. He definitely had the knack for talking to people. I always enjoyed hearing his truck driving stories. I shall never forget his laugh, nor, his zest for life. My thoughts and prayers are with his family. Tim Coon
