“ To the family, I am very sorry for your loss, and I will be praying for all of you. I knew your father from visiting my grandparents weekly. Robert and Regina Rinehart were my grandparents. You father was such a very nice and kind man. I always respected and appreciated him. What a wonderful legacy he is leaving with all the lives he touched, such a blessing.

“ Bob hired my wife and I for our first teaching positions at Allen East Schools. He was always encouraging, friendly, and professional. We appreciated him giving us the opportunity to start our teaching careers. I always enjoyed our golf outings and hunting with him and Brittany Spaniel.

Our thoughts and prayers are with his family.

“ Dear Hazel and family,
We are deeply sorrowed by your loss of Bob. Even though our families haven't kept in touch in recent years, you often came to mind and the memories were always pleasant.
Bob was instrumental in my life. When he asked me to teach 6th grade at Allen East School, I was reluctant. He encouraged me to try it and I loved it. Stayed in education for 27 years. We had many fun times in those days. Our fishing trip to Tenn. was a memorable time. Bob and I almost sank our boat going up a rapids. Could have been a disaster. Our times together with you and Bob were always special. Thanks for being a part of our life. We still live on 309 south of Ada. Stop and spend some time.

*With Love ,

“ *What a great teacher and all around great guy! Bob was one of my teachers in both 7th and 8th grade at United Local. I learned one thing for sure, never read movie magazines in his class. He confiscated all of mine one day. He gave them back to me the last day of my 8th grade year. Several years later I reminded him of it. He just smiled that smile at me. You will be missed Mr. Wagner.*

“ Dear Hazel, Rinda, Roger and Renee: I was so saddened to hear that Bob had passed away. I will forever be thankful for the countless hours he spent teaching me how to golf and taking me golfing for the first time. Over the years we enjoyed many rounds of golf together. Whenever I would come back to Wapakoneta I would look forward to looking him up and trying to get in a round at the Wapakoneta Country Club. We always enjoyed a friendly but competitive round. Bob was much more than just a neighbor to me. He was always interested in what was going on in my life. I appreciated how he would give me advice on numerous subjects. He was always willing to help me with whatever I was involved in. I trust that God will be your comfort over the upcoming days as you transition to life without Bob's physical presence but have a life full of fond memories of Bob, your husband and father.

Respectfully,
Bret Rinehart

“ Hazel, Roger, Rinda, Renee & Family,
Bob was a good teacher at United Local and we shared many experiences there.
Over the years, we had fun playing basketball, cards and golfing. He taught me many things about golf, and I still think of him when I'm in situations where he taught me what to do to get out of them.
Very sorry his last several years were not enjoyable for either him, or you, his family. We pray that his soul may rest in Peace.
