“ My deepest sympathy to Brandon. Misty, Jamey, and Donna. Robert loved his family very much. When my mother was ill, her greatest fear was leaving her children. A parents love goes deeper then what we think. Children will always be our babies, and we wonder if they will be ok without us there. Brandon, Misty, and Jamie, know he is ever present within our hearts. He lives on, not only in you, but his grandchildren as well. Donna, may God bless you and the family in this time of sorry and forevermore. I really liked Robert. He touched my life and will live on in me as well. Vivian
