“ My sincere condolences to all of you, I'm so sorry I couldn't make it to Ohio for the services, but know that each and every one of you of you is in my thoughts and prayers. Ronny was truly one of a kind. When he found me on facebook, he asked me if I remembered him. Yes, I said, how could anyone forget you. RIP Ronny and know that you will never be forgotten. “ Ronnie was a friend of my brother Bill's and a constant part of our life growing up. He met Bill at our home to go to school each day. If Ronnie was around you knew it. He'd yell across the store to say Hi to you. He will be greatly missed by our family. My thoughts and prayers are with your family.

“ Ronnie, you will be missed a lot. You hung around my house a lot, in your early twenties. Those were wild years and you called me "Mom". Whenever you saw me you would put your arms around me and lift me a foot off the ground. You were always ornery, but you had a zest for life, like no one I ever knew. Keep "em on their toes, in Heaven, Ron.....Love you
