“ *Anyone that has a special memory they have shared over the years with mom, we would LOVE for you to share it with us here!!! Mom was an AMAZING story teller...mostly because her stories were about things that actually happened throughout her life...and man did she sure live an interesting life!!! In fact John and I encouraged her constantly through the years to write a book! That's one thing I will miss so much is sitting and listening to her talk about her life....no story is too small!!! Share how you met or a favorite moment with her...we'd love to hear absolutely anything and everything!!!*

Thank you so much for sharing with us!!! And yes you made a wise choice not telling her because that is one of the main ways she expressed her love was through cooking!!! Definitely the Italian in her for sure!
